1 General description

The Harvy200 can be equipped with a catch sheet to insure soft landing of the berries.

2 Cleaning

The material is a Food grade material that can be cleaned whit a food approved soap and water.

3 Assembly

Step 1: check the content of your delivery you should have 2 sets of hooks and the 2 sheets.

Step 2: mount the hooks on all four of the lower corners at the adjustment knob for the brush angle.

Step 3: hold the catch sheet over the collect tray.

Step 4: pull the side sleeves over the tray upper corners.

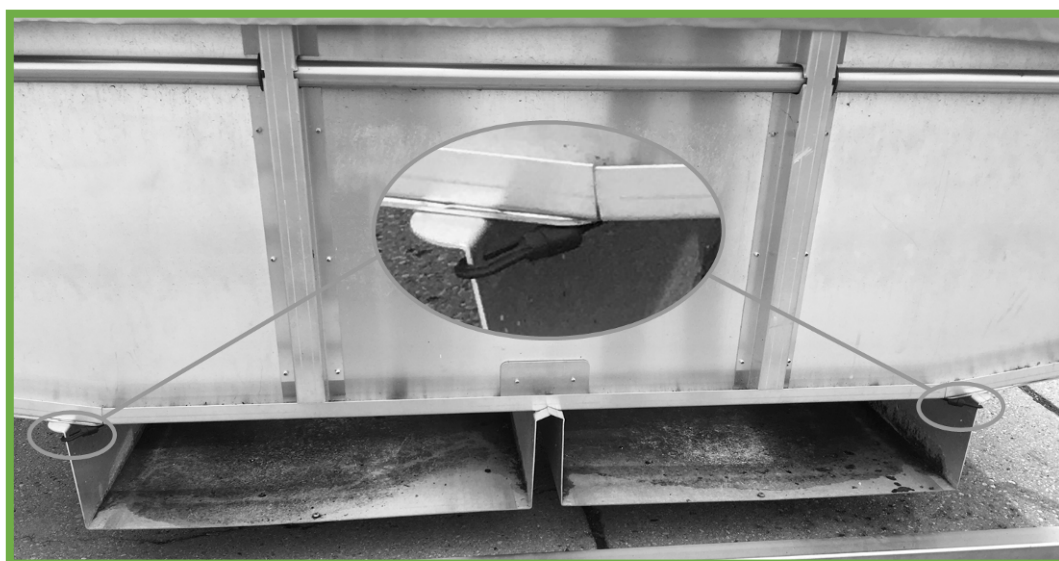

Step 5: slide the loop of the tightening belt over the hooks.

Step 6: push the plastic hook down with one hand and grab it through the crate holder with the other hand.

Step 7: hook the plastic hook to the upper side walls of the crate holder.

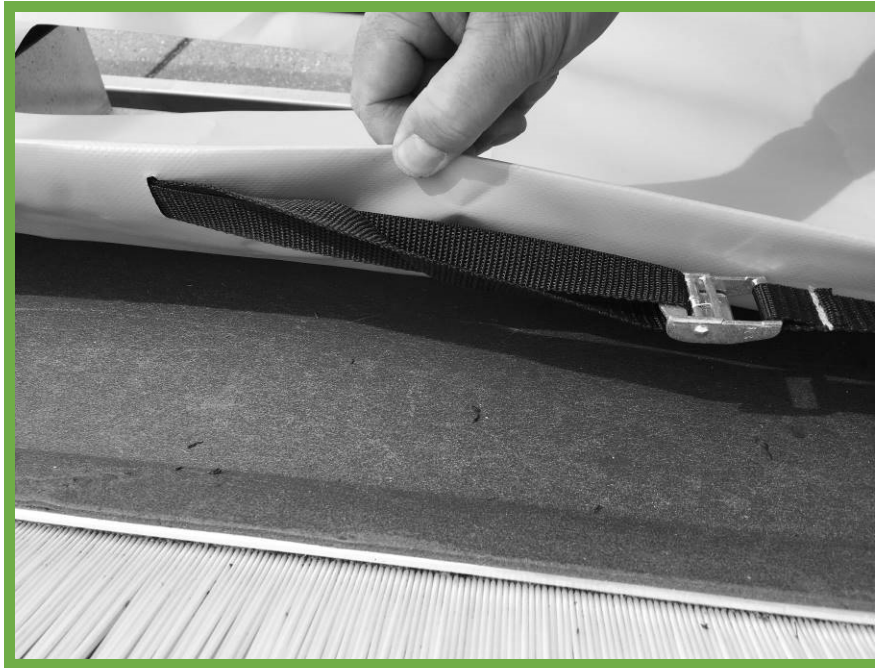

Step 8: tightening the strap.

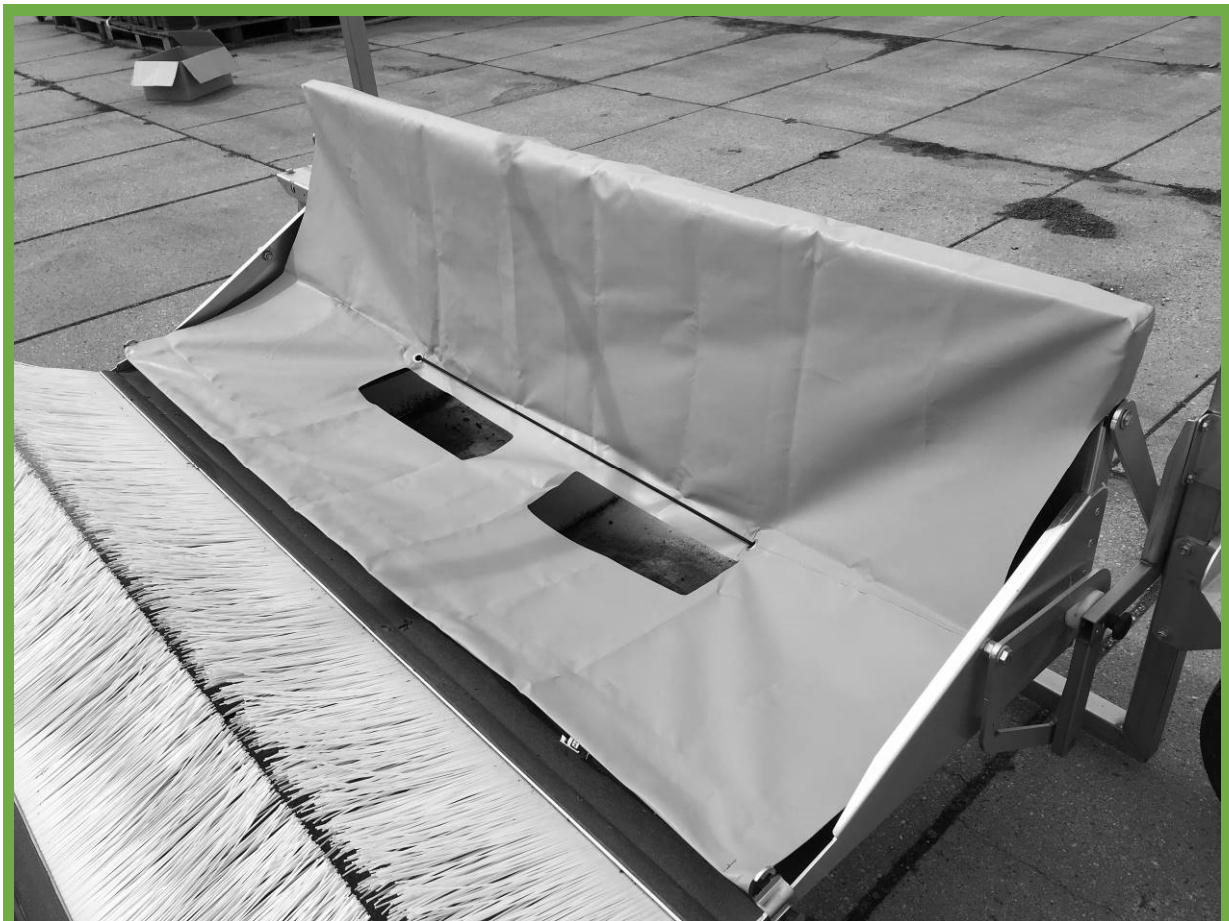

Step 9: push the remaining strap back in the sleeve.

Ready!!
